

Your Connection Dental Network Application cannot be processed without the following information:

- Completed, signed, and dated application, including:
 - Last five years of dental work history, with explanations of any gaps of 180 days or more.
 - New graduates with less than five years' work history must account for gaps of 180 days or greater between licensure date and work history start date.
 - Completion dates for all dental training and education.
- Completed, signed, and dated attestation within 120 days prior to submission, if applicable.
 - Include any required written explanations.
- Completed, signed and dated Participating Provider Agreement.
 - 1st page of fee schedule that applicant received from Connection Dental Network. If this is not submitted, a fee schedule will be assigned by Connection Dental Network.
 - Copy of current professional malpractice insurance declaration.

Additional items that may be requested:

- Copy of all active dental licenses.
- Copy of diploma if foreign educated or trained.
