

Web post for in-network partner portals

Register now: the new and enhanced *Lincoln DentalConnect*® provider portal

The Lincoln Financial Group [dental provider portal](#) is now thoroughly enhanced, providing a more interactive and easy-to-use experience. You can quickly find the patient information you need, including coverage plans, deductibles, coinsurance, maximums, frequencies, service history and waiting periods. Additionally, you can search by procedure code and view the status for active, inactive, or future members.

Registration is a quick three-step process. All that's needed is the dentist's tax ID, and either a Group Policy Number or Lincoln claim number to create an account. Both new and current users must register for the new site.

We are continuing to enhance the site with additional capabilities, with even more features coming soon! Don't forget to [bookmark the new site](#), for easy access each time you return.
