

UnitedHealthcare Medicare Advantage Dental Coverage

Leading the way with simplicity and choice

Enhanced dental coverage in 2023

Easier, simpler and more coverage than ever before

One simple comprehensive code set

The majority of UnitedHealthcare Medicare Advantage plans offer Comprehensive dental coverage*. In 2023, dental plan designs are simplified to one Enhanced Comprehensive design that provides coverage for all major categories of service including:

- Exams
- Fillings
- Bridges
- Dentures
- X-rays
- Extractions
- Root canals
- Implants
- Cleanings
- Crowns

*Only a select few plans offer a Preventive and Diagnostic-only Dental plan design in 2023. Always verify plan benefits.

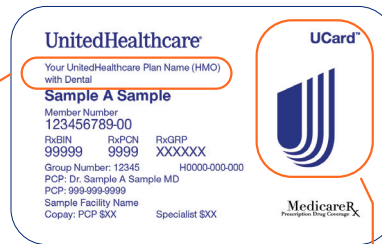

Working with UnitedHealthcare made easy

- Prior authorizations are not required for claims submissions
- Request and access pre-treatment estimates in real-time using the UnitedHealthcare Dental Provider Portal
- All the information you need is in the **Provider Quick Reference Guide (QRG)** which is found under Medicare Advantage at UHCdental.com

Identifying and accepting our dental plan

Almost all UnitedHealthcare Medicare Advantage members will have the UnitedHealthcare UCard™.* If a plan offers dental coverage, the front of the new member ID card will include the UCard logo and have “with Dental” after the plan name. This makes it simpler than ever to verify you can support a patient through your participation in the UnitedHealthcare Dental National Medicare Advantage Network.

Plan offering dental coverage

UCard designation

*Peoples Health Plans in Louisiana use a different member ID card. To verify eligibility, look for “with UnitedHealthcare Dental” after the plan name and call the number on the card with any questions.

Getting reimbursed with Medicare Advantage Plans

Member ID cards will state either HMO or PPO after the plan name but before “with dental”. Your participation in the UnitedHealthcare Dental National Medicare Advantage Network allows you to see members in both HMO and PPO plan types. Please know that you will get paid for services provided to members in HMO or PPO plan types in the same way (using the Commercial PPO fee schedule rate)*. If you have any questions, please use the contact information on the card to verify the member’s eligibility.

*If you participate in the UnitedHealthcare Dental Dual Complete Network for AZ, NY or PA, then you will be paid on different fee schedules
