RE: Solstice Welcomes the Maricopa County Community College District!

Dear Doctor,

On behalf of Solstice, thank you for your continued collaboration and partnership. We are happy to announce that Maricopa County Community College District (MCCCD) has selected us as their carrier of choice for dental benefits administration. The group will be effective January 1, 2023. MCCCD has over 5,700 members, which includes employees and their dependents, mostly residing in Maricopa County. Employees will have a choice between two PPO dental plan options or a DHMO (Fee-For-Service) plan option. Employees will start participating in health fairs by mid-September with open enrollment to follow in November. Please expect to hear from our members soon.

As a contracted provider for both our PPO, your contracted PPO fee schedule applies to any member choosing a PPO plan option.

Schedule of benefits for both PPO (High-Low) plan options are attached for your reference.

To verify eligibility, log in (or create an account) at [MySolstice.net](https://www.solsticebenefits.com) before providing any plan benefits. You may also verify eligibility information through our Interactive Voice Response (IVR) system and request a faxed verification of eligibility through our IVR by calling 877.760.2247.
