Get a preview of our new Medicare Advantage benefits for 2026

Humana supports our in-network dentists by making it simple to work with us while making it easy for patients to use their benefits. With rich comprehensive benefits and consistently strong customer satisfaction, Humana's Medicare Advantage membership is strong and growing.

As a reminder, **all Medicare Advantage dental benefits use a PPO network.** The patient's ID card may say HMO, but that is only related to their medical benefits. The dental benefit is on the back of the card.

This is the Humana medical network only. It is not related to the dental network.

On the back of the card, the letters **DEN plus a 3-digit number** indicate the patient's specific dental plan.

Please note: The date on the member ID card is an issue date, not an effective date. New member benefits begin Jan. 1, 2026. Please be sure to look up benefits to confirm effective date before providing service.

Please keep in mind that your dental office may be participating with Humana's Medicare Advantage network through one of our dental network leasing partners.

See a list of these partners in **Section V** of the **Dental Office Handbook** located at humana.com/sb.

Need assistance?

Humana provides a trusted advisor known as a single point of contact (SPOC) to all in-network providers. Your SPOC is there to help your practice solve administrative issues, answer plan questions, and get back to patient care faster. If you do not have your SPOC's contact information, please email DentalService@humana.com to request their details.

Humana knows Medicare. To learn more about our plan offerings from a Medicare expert, ask your SPOC about a visit from a licensed, local Humana sales agent.
